*Pioneer High School students will be engaged as active and curious learners who embrace the rich diversity of the world around them in pursuit of productive and satisfying lives.
~ Mission Statement, 2007*

Dear Pioneer Families:

It is with great pleasure that I take on the responsibilities of Principal of Pioneer High School. I am so proud of our high academic standards and achievement, our exceptional performance in athletics and the arts, and our outstanding student body.

To offer a bit of background information, I have been an educator for 30 years, 15 of those years as an educational leader at all levels of Ann Arbor's K-12 system. I have taught English, Special Education, and have served as a Counselor at Pioneer. I am excited to take on this new challenge.

The Class Principals and I will continue to build on all initiatives that promote a positive, safe climate at Pioneer. We consider the school to be a semi-business setting and we expect that students will dress and behave in a manner that aligns with this vision. Students require a safe and orderly environment in order to learn. We will provide the structure, support, and rules and enforcement to promote a safe and orderly environment.

Tamber Woodworth,

Pioneer Principal
