

Discontinuation of AAPSPTOC Yahoo Group

This is the first notice to let you know that PTO Council will be discontinuing the use of this Yahoo Group email address and instituting a new group for PTO officers and PTO Council representatives only. We are currently compiling new officer information for the 2010-2011 school year so please make sure that your school PTO replies with this information to the PTO Council Corresponding Secretary at ptoc.correspondence@gmail.com.

For public information we will be distributing via Twitter (follow us at <http://twitter.com/ptocouncil>), our PTO Council website, www.tinyurl.com/PTOHome, and occasional stories in the AAPS newsletter, <http://news.a2schools.org/>.
